

BraunAbility

Life is a Moving Experience™

CompanionVan®

Built on the Chrysler and Dodge chassis, the CompanionVan offers the accessibility of traditional lowered-floor minivans in a streamlined, economical package. With a manual door and manual bi-fold ramp, the vehicle is the perfect choice for those who will travel with an attendant. Both front seats and the rear bench seat are retained during the conversion process, allowing seating for up to four ambulatory adults with one wheelchair securement position in the center lowered floor area.

If you are looking for a budget-friendly solution to your personal mobility, this innovative conversion could be the answer. Visit your local BraunAbility Dealer to see if the CompanionVan is right for you.

Lowered Floor

The CompanionVan's floor is lowered from behind the front seats to the rear seat, providing 55" for the center wheelchair securement position. Tie-down tracks and a belt system are included.

All dimensions are for reference only.

Door Opening Usable Width (Slide Door)	A	31"
Door Opening Usable Height (Slide Door)	B	52-1/2"
Interior Height at Center of Van	C	57-1/4"
Ramp Length	D	52"
Ramp Width (Usable Clear Opening)	E	30"
